

COMPARISON MATRIX

PERSONAL WORKSPACE

Logitech® headsets and earbuds are designed to work seamlessly with leading video conferencing platforms, giving you an enhanced video collaboration experience. With the power to control your acoustic environment, the Zone portfolio empowers you to take the call, jump into the meeting, and get into the zone no matter where or how you work.

LOGITECH ZONE PORTFOLIO

Hybrid work requires solutions designed for all types of users and work environments. Regardless of your style or connectivity preference, the Zone portfolio has a device that works the way you do.

Logitech Zone portfolio is certified to work with leading video calling platforms like *Microsoft Teams*, *Zoom*, *Google Meet*, and *Google Voice*, making it easy to connect across devices and applications. Plus, advanced noise-canceling microphones pick up your voice, not the noise around you, so you're heard clearly wherever you work.

Clear, distraction free listening experience seamlessly takes you from video calls to dedicated focus time so you can get in the zone and get stuff done.

Whether for collaboration, communication, or concentration, the Zone portfolio is made for the way you work.

LOGITECH ZONE PORTFOLIO FOR BUSINESS

Logitech Zone headsets and earbuds are certified for *Microsoft Teams*¹, *Zoom*, *Google Meet*, and *Google Voice*. They also work with other popular meeting and calling platforms to ensure seamless integration in the workplace.
